

#### CONSTRUCTION BEGINS SPRING 2011

The Maryland State Highway Administration (SHA) soon begins an intersection improvement project on less than a half-mile segment of MD 223 (Woodyard Road) at Rosaryville Road in Clinton. The project should be complete spring 2012, weather permitting.

SHA will reconfigure and relocate the existing three-way intersection of MD 223 and Rosaryville Road. Work includes upgrading the existing three-legged intersection to a four-way, signalized intersection and relocating it 200 feet southeast of its current location. The new intersection will not only create additional through and turn lanes, but the current entrance to the Woodyard Community at Haislip Way will be closed and Haislip Way will become the fourth-leg of the new intersection.

*Other work includes:*

- Construction of a single-span bridge over Piscataway Creek
- Installation of drainage pipes, inlets, and a storm water management pond
- Slight realignment of Piscataway Creek
- Utility relocation
- Milling, grinding and resurfacing the existing roadway
- Installation of new pavement markings
- Landscaping

The project will improve the traffic flow on MD 223 for motorists and the surrounding communities, as well as for visitors to the historic property His Lordship's Kindness. The work is necessary because the current two-lane traffic pattern cannot accommodate the congestion caused by commuters and new development in the surrounding areas.

#### TEMPORARY LANE CLOSURES AND RAMP DETOUR

Single-lane closures will occur on MD 223 as follows:

**Monday through Friday:** 9 a.m. – 3 p.m.

**Overnight, Sunday through Thursday:** 9 p.m. – 5 a.m.

#### QUESTIONS/ COMMENTS

The following **SHA District 3** representatives are available to answer questions regarding project work on MD 223:

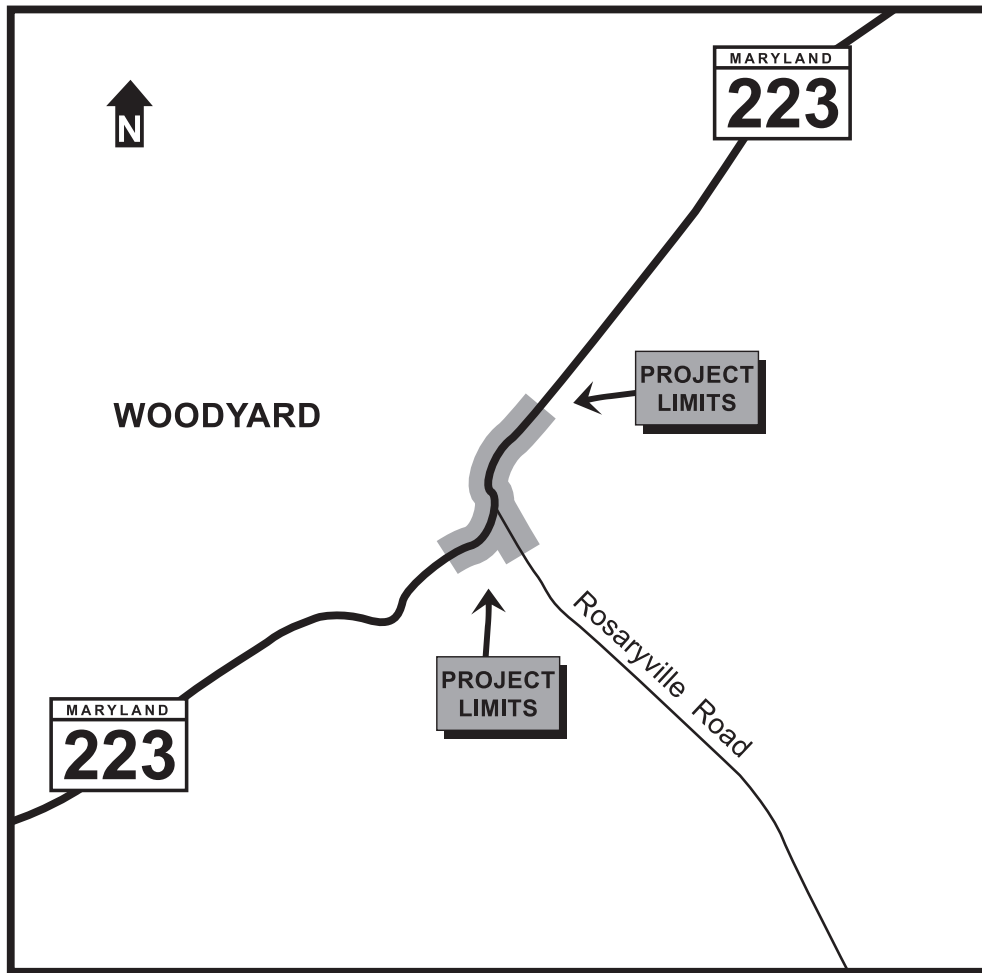

**Whitie Wilder** – Area Engineer, 301-513-7300, [WWilder@sha.state.md.us](mailto:WWilder@sha.state.md.us)

**Kimberly Frum** – Community Liaison, 301-513-7405, [KFrum@sha.state.md.us](mailto:KFrum@sha.state.md.us)

**SHA District 3 Office** – Toll-free 1-800-749-0737, [SHADistrict3@sha.state.md.us](mailto:SHADistrict3@sha.state.md.us)

**Request for Assistance** – The Maryland Relay Service can assist teletype users at 711. SHA will provide a telephonic interpreter for those who need assistance with the English language.
